ES Viewpoint 01: Junction of Wellhead Lane and B1188 Lincoln Road (TF 04729, 64178).

Objection Viewpoint 01: Single, landscape frame comparison.

Objection panoramic Viewpoint 01: The wider context illustrates more clearly the presence of the road, lack of lighting columns and the low hedgerows but also shows the presence of residential receptors that currently have existing open views across the countryside.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 01	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 001		

ES Viewpoint 02: Junction of B1202 and B1188 Lincoln Road (TF 04889, 63758)

Objection Viewpoint 02: Single, landscape frame comparison

Objection panoramic Viewpoint 02: The wider context illustrates the open, arable landscape. There are no built developments, quarries are not prominent. Detracting features are limited to the telegraph poles of the overhead power lines.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 02	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 002		

ES Viewpoint 03: Junction of Dunston Heath Lane and B1188 Lincoln Road (TF 05579, 62838)

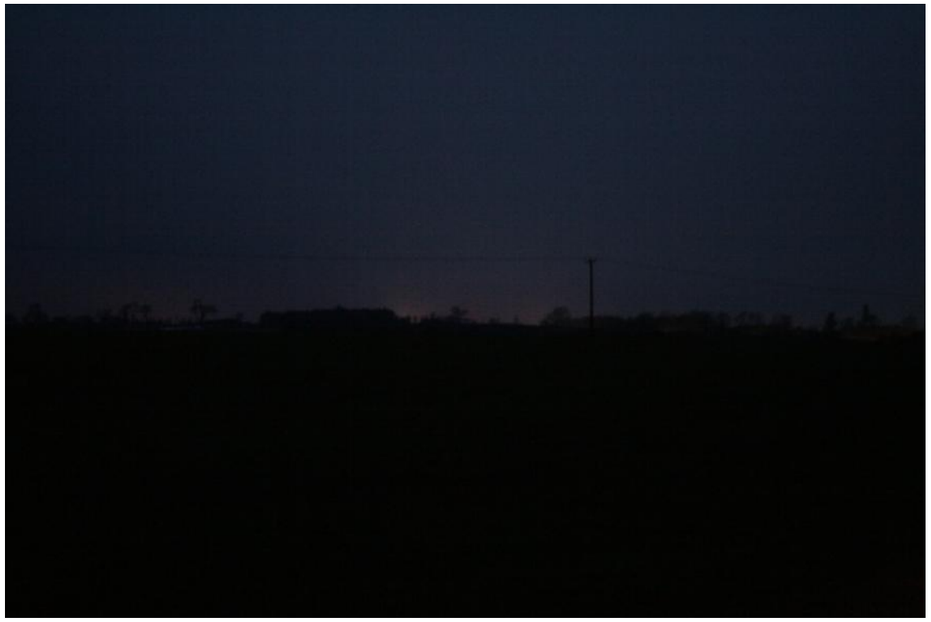
Objection Viewpoint 03: Single, landscape frame comparison

Objection panoramic Viewpoint 03: As with viewpoint 1, this view illustrates the open and undeveloped nature of the countryside. Arable land use is dominant however there are few associated buildings or other developments seen in the wider context. This view also illustrates the relatively elevated na\ture of the site and immediate surrounding area.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 03	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 003		

ES Viewpoint 03: Junction of Dunston Heath Lane and B1188 Lincoln Road (TF 05579, 62838)

Objection Viewpoint 03: Single, landscape frame comparison



Objection Viewpoint 03 (Night): View illustrating lack of lighting impacts on site other than limited skyglow.

Objection Viewpoint 03a: Alternative view (looking south east) to urban edge of Metheringham.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 03 (Night)	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 004		

ES Viewpoint 05: Dunston Road, Metheringham (TF 06719, 61988)

Objection Viewpoint 05: Single, landscape frame comparison

Objection panoramic Viewpoint 05: View illustrating the wider context. Settlement edge (and residential receptors) are visible to the far left of the view. Some limited built development on far horizon, otherwise view is dominated by the open arable landscape.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 05	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 005		

ES Viewpoint 05: Dunston Road, Metheringham (TF 06719, 61988)

Objection Viewpoint 05 (alternative view): Single, landscape frame comparison

Objection panoramic Viewpoint 05 (alternative view): This viewpoint is located further along Dunston Road, taken from a public right of way. This view is considered to be a better alternative to that included in the ES as the views to the site are more open and the nature of the representative receptor is more sensitive; therefore the viewpoint would better represent the worst case scenario.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons Viewpoint 05 Alternative	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 006		

ES Viewpoint 07: View from Grange Lane/Grange Farm Cottages (TF 03679, 63908)

Objection Viewpoint 07: Single, landscape frame comparison

Objection panoramic Viewpoint 07: Updated views include some low mounded covered 'bunds', presumably arable storage. These are approximately 3m high, in the far distance the storage is located parallel with the track (east of Top Plantation) and provide an indication of the potential scale of new buildings located on the other side of the track (i.e.10m adjacent to the track therefore around 3 times the height of storage bund seen in far distance – potentially the height of the trees).

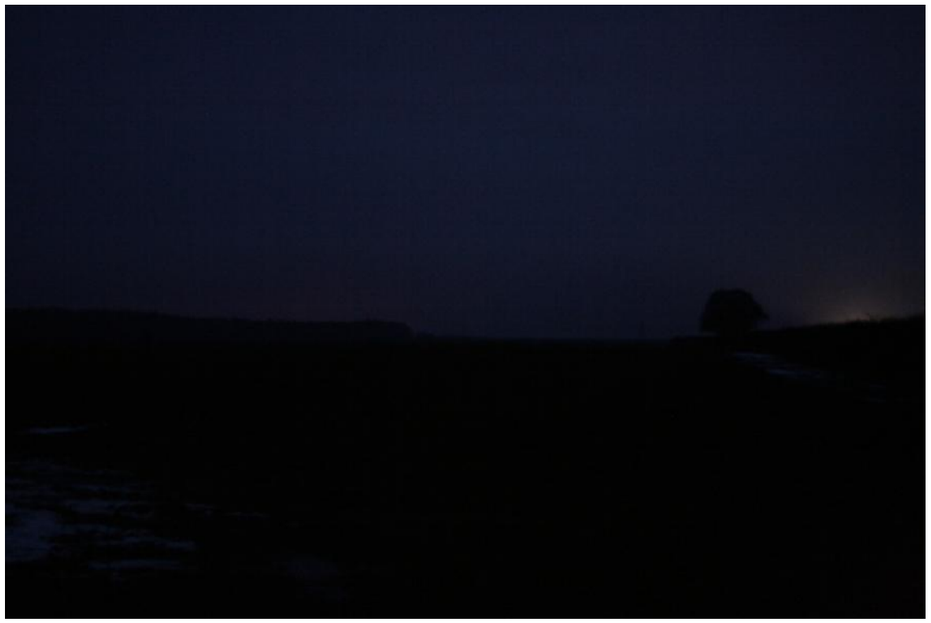
ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 07	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 007		

ES Viewpoint 08: Crossroads of Dunston Heath Lane and Bloxholm Lane (TF 02439, 62058)

Objection Viewpoint 08: Single, landscape frame comparison

Objection panoramic Viewpoint 08: The wider context illustrates lack of urbanisation and the open, relatively elevated plateau of arable land. There are no lighting columns visible and limited road infrastructure. There are few farm buildings and no large scale or industrial style buildings visible in the wider context.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 08	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 008		



Objection Viewpoint 08 (Night): View illustrating complete absence of lighting impacts on site.

Objection Viewpoint 08a: Alternative view (looking north west) to RAF Waddington.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 08 (Night)	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 009		

ES Viewpoint 10: Bridleway Between Top Plantation and Bloxholm Lane (TF 02359, 62718)

Objection Viewpoint 10: Single, landscape frame comparison

Objection panoramic Viewpoint 10: Clear views to Top Plantation , to the right of which the development would be clearly visible on the horizon. The wider context illustrates the undeveloped nature of the open, arable landscape which currently holds no buildings that are contextual similar in scale, nature or materials to those proposed in the application.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 10	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 010		

Objection Viewpoint 10 (Night): View illustrates absence of lighting other than some limited skyglow in far distance.

Objection Viewpoint 10a (Night): Alternative night view (view north west) to RAF Waddington.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 10 (Night)	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 011		

ES Viewpoint 12: B1178 / Footpath (TF 03269, 65648)

Objection Viewpoint 12: Single, landscape frame comparison

Objection panoramic Viewpoint 12: The wider context shows that although this view includes a small scale modern agricultural building, this is still a relatively small component of the wider arable countryside. There are few other existing features that detract from the rural nature of the area and few features that provide a context of scale and style for the development proposals.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 12	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 012		

ES Viewpoint 17: The Bridleway (TF 06170, 63945)

Objection Viewpoint 17: Single, landscape frame comparison

Objection panoramic Viewpoint 17: The wider context of this view illustrates the change in character from the more open and elevated area of the site to the semi-enclosed areas that are found to the south and west of Nocton. Available views are often limited by vegetation and the lower position in landform. There remains few detracting features and no large scale agricultural or industrial buildings in this context.

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 17	Date: 05.01.11	Drawn: JWA	Checked: EB
			Drawing reference: Figure LSC 014		

Objection panoramic Additional Viewpoint: View looking east from public right of way that links the western edge of Top Plantation and Dunston Heath Lane (October 2010).

ATKINS Planning Landscape & Heritage The Axis, 10 Holliday Street Birmingham, B1 1TF	**Client:** Compassion in World Farming & The World Society for the Protection of Animals	**Drawing title:** Viewpoint comparisons – Viewpoint 17	Date: 05.01.11	Drawn: JWA	Checked: EB
